TEEN Summer Reading @ Lilly Library Summer 2020

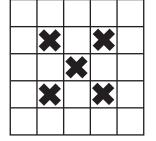

Diagonal either way

Four Corners

This is probably the best game of BINGO you will play all summer.

Complete the challenges in the squares in whatever pattern you want (see the diagrams on this page for the ways to win.) Be sure to color in or otherwise mark the squares you complete. The challenges are designed to get you reading something new, exploring something new, and making something new.

Most squares have space for you to record something about the challenge you complete, and to rate the book or activity. You aren't required to do this as part of the program, but it is encouraged — it's a fun and easy way to keep track of all you've done (and thought about!) all summer.

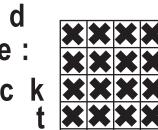

Once you've hit BINGO (in any of the patterns here) please take a photo of your BINGO board and send it, via email, to YA Librarian Alison Baitz at abaitz@cwmars.org to claim your prize (\$10 to Pie Bar to Miss Flo's for any BINGO, \$20 to Pie Bar or Miss Flo's + a book of your choice for a black out.)

Participants can complete one regular challenge **and** one black out, if desired.

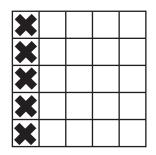

Enjoy your summer of reading, making, and exploring!

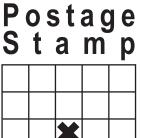

The final day to send in sheets: August, 30, 2020

Grand finale: Black Out

Vertical (any row)

Horizontal (any row)
